*** MACHINE ELIGIBILITY AND CLASSIFICATION:**

- **Production ATV:** OEM motor and matching frame combination model required (matching year NOT required), **with the following exceptions: 125cc, 200cc, 250cc and 300cc machine models in all classes may have LSR aftermarket frames so long as the frame maintains OEM geometry.** Frame geometry must remain as designed by the OEM, including all suspension pivot points. Engine modifications, frame reinforcements and frame modifications to permit longer rear-wheel travel are permitted.
- **Utility ATV:** per manufacturer specification; sport utility only. Example, a Scrambler is listed as a sport utility so it will be allowed in the utility class (Wolverine, Rubicon, Sportsman, Rincon, Recon, artic cat, etc.). A V-Force is listed as a sport machine so it will not be allowed in utility.
- **Open ATV:** 250cc and over engine, so long as the cylinder is stamped with the correct engine displacement.

- **Stock ATV:** All motor components and rear suspension must remain stock. Aftermarket replacement parts may be used so long as they maintain the same basic design and material of OEM parts, do not improve motor performance, add travel to the suspension, or have a reservoir. Example: must have stock pipe, silencer, carburetor, air box, air cleaner, rear shocks, etc... May change tires (excluding Tire Balls), wheels, throttle assembly, axle, handlebars (excluding handlebars with bushings), can race with steering stabilizers, grips, skid plates, plastics and seat covers, including those that add traction (but do not change seat height). May add bead locks, nerf bars, foot pegs, foot peg extensions, and open or closed-end metal or plastic hand guards. May not add larger fuel tanks, quick-fill fuel systems, steering stems, automatic clutches, front shock reservoirs, or modify or remove front shock reservoirs from machines that come equipped with them.
- **50cc Stock ATV:** Same as stock rules but this class is limited to "Yard" type 50's, Polaris, Kawasaki, Etc. No race ready ATV's.

EQUIPMENT:

The AMA Equipment Standards List in Chapter 2 of the Amateur Competition Rule Book applies. In addition, the following apply:

- 1.** The machine a rider leaves the starting line on is the official machine of the rider for that event, and he may not switch during the event.
- 2.** No rider can carry gasoline except inside his machine's fuel tank.
- 3.** All ATV's must be equipped with a functional tether type mechanical kill device attached to vehicle and rider so that the engine ignition is cut off at any time when the rider becomes separated from the ATV.
- 4.** All helmets must be brought to scoring for the purpose of inspecting barcode placement, number assignment, and contingency eligibility. Safety equipment and machine eligibility are the sole responsibility of the rider.
- 5.** Adult Classes - Rider number, minimum of 6" high, must be visible from the front and rear of the machine or rider in the class color. Can be on quad or chest protector.
- 6.** Youth Classes - Rider number, minimum of 6" high, must be visible on machine or rider. Rear numbers are required. Can be on quad or chest protector.
- 7.** Riding Boots, Gloves, Long sleeve shirt and long pants are required for all riders.

2. All youth classes will be started with engines running and hands on helmets. Except Super Mini – they will be started with dead engine.

COURSE:

1. A course may include trails, footpaths, roads, hills, motocross tracks, or any type of terrain which can be negotiated by an ATV.
2. The course will be open to inspection at Noon the day prior to the race. Participants are permitted to walk or bicycle the course only.
3. Marking, cutting, tampering with, or otherwise changing the course in any manner is strictly prohibited. Course modifications may only be made by an IATVHSS official.
4. Only registered racers and officials may ride the course during the race.

5. If a rider leaves the course for any reason he must re-enter where he left. With exception of being towed or any other means of getting to the pits.

ON TRACK REGULATIONS:

1. Riders must remain on the marked course. A marked course is that official route designated by and marked with official IATVHSS, L.C. markings.

2. Riders must stay within the confines of the following "direct path" markers: double arrows posted on both sides of the trail, ribbons, signs, stakes, hay bales, barrels, motocross track, grass track, etc. Furthermore, riders may not cut to the inside of any corner marker.

3. Riders encountering a traffic-jam or bottleneck may go within than 25 feet off the course to get around the bottleneck if no "direct path" markers are compromised. However, the rider must re-enter the course as soon as possible, and upon approaching this section the next lap, must ride the original arrowed section if the track is clear. If the original marking devices are knocked down, the rider must stay on the original marked course. A "bottleneck" is a section of the track that becomes impassable for any reason, except for check points.

4. All riders must proceed only in the correct direction of the course route or trail. Riding backwards on the racecourse at any time is prohibited. Riding backwards on the course is grounds for penalties of up to and including disqualification.

5. Reckless riding. No rider may ride in such a manner as to endanger life or limb of other riders, officials, or the public. Riders will be penalized for the reckless operation of their machine, including but not limited to the deliberate ramming, blocking or intentional contact with another rider, or for running into an official.

6. Team Tactics are prohibited, and include but are not limited to blocking, allowing another rider to pass in order to affect the outcome of the race, or exchanging machines for another rider to continue the race. Riders involved will be penalized.

7. Unsportsmanlike Conduct. Persons whose appearance, conduct, associations or affiliations, on or off the track, deemed not conducive to the best interest of this sport or who exhibit conduct which is inappropriate, offensive, abrasive or in bad taste, may be excluded or suspended from IATVHSS at the discretion of the Race Director.

8. Any Racer who blatantly disregards the slow down area and puts scoring officials and spectators by ramming, trying to pass in the slow zone:

Penalties:

1st pulled off track to be talked to for about a minute

2nd Dock 5 points

3rd DQed for the race

4th Sit out 1 race

START PROCEDURE:

- 1.** Starting procedures will be explained at Riders Meeting. All riders are responsible for attending.
- 2.** Riders, pit crew members, machines and equipment are not permitted on the starting line until authorized by the race official.
- 3.** Riders shall line up on their assigned starting row on a first come basis when directed by the race official.
- 4.** All starts are dead engine except for 50, 70 and 90cc classes. The official will signal all riders to turn off their engines and place hands on Helmets.
- 5.** A "10 Seconds" signal will be given before the flag is thrown. At the "10 Seconds" signal, all crew members must step away.
- 6.** Any rider taking off with the wrong row will be penalized.
- 7.** Any rider that misses the start of their class must enter the racecourse at the starting line and complete the start chute unless redirected by IATVHSS officials.
- 8.** The event will be timed from the start of the first class in the session for termination purposes. There will be an approximate 30 sec-1 min break before the next class begins.
- 9.** Rider is required to start the event with their tether cord properly affixed.

SCORING:

- 1.** Riders may need to come to a complete stop at all check point and scoring areas. The Scoring area and check points are "No Passing"/5mph zones. The No Passing Zones are the Shakane before and after scoring and are identified by yellow flags in orange cones.
- 2.** It is the rider's responsibility to make sure he has all scans. Missing scans may result in a penalty. LED screen is unofficial. Results will be posted at the end of the race.
- 3.** A rider will be penalized for running into an official.
- 4.** All events will be a two-hour timed event, except for 70cc & 90cc which will be 45 minutes & 50cc will be 30 min. **Racers have 30 minutes to finish the race after the checkered flag has been shown.**
- 5.** A rider must finish the event to be eligible for points and awards. To be considered a finisher, a rider must complete at least 50 % of the laps of the winner of his class. It is not necessary to take the checkered flag. 1 point will be awarded for any rider that starts the race but fails to complete 50% of the laps of the leader.
- 6.** Riders may get mechanical assistance on the course from their pit crew or spectators but must finish the race under the machine's own power or by the rider physically.
- 7.** Final class standings will be based on the accumulation of class points

from the point breakdown listed below.

8. No towing allowed. If a machine is towed in from the course, that lap will not count.

9. A rider must ride 4 of the 7 races to qualify for year-end prizes/awards.

10. 6 of the 7 races will count for year end points with only 1 mandatory throw out except for the AA Class and Open 4x4; All races count in the AA Class.

11. A rider may question/protest the scores within the 30-minute period following the posting of the results. After 30 minutes, awards will be given out. Awards must be picked up no later than following race.

12. Protests must be in writing and comply with the AMA Amateur Competition Rule Book, Protest Procedure.

13. Penalties will be assessed at the discretion of the official based on the severity of the offense, and may include one or more of the following: position(s), lap(s), time penalty, or disqualification.

14. All protests must be filed at the registration trailer, not scoring. Any comments or discussion to Andy or Tracy only, not to any other IATVHSS officials or volunteers. Stay out of the scoring trailer.

15. All AA and Open Utility riders finishing in the top 3 must be at the awards in order to receive any payouts.

16. IF AWARDS ARE NOT PICKED UP THEY WILL BE HELD TILL NEXT ROUND THEN DISPOSED OF. CASH AWARDS IF YOU ARE DUE CASH AWARD FOR RACE FINISH, HOLE SHOT ETC. YOU MAY PICK UP NEXT SCHEDULED ROUND IN CURRENT SEASON
