***Any 50 Limited machine may compete in the 50 Stock or 50 Production class**

****50 Production class is open to any 50cc machine**

2023 Stock ATV rules: All motor components and rear suspension must remain stock. Aftermarket replacement parts may be used so long as they maintain the same basic design and material of OEM parts, do not improve motor performance, add travel to the suspension, or have a reservoir. Example: must have stock pipe, silencer, carburetor, air box, air cleaner, rear shocks, etc... May change tires (excluding Tire Balls), wheels, throttle assembly, axle, handlebars (excluding handlebars with bushings), can race with steering stabilizers, grips, skid plates, plastics and seat covers, including those that add traction (but do not change seat height). May add bead locks, nerf bars, foot pegs, foot peg extensions, and open or closed-end metal or plastic hand guards. May not add larger fuel tanks, quick-fill fuel systems, steering stems, automatic clutches, front shock reservoirs, or modify or remove front shock reservoirs from machines that come equipped with them.

50cc Stock ATV rules: Same as stock rules but this class is limited to "Yard" type 50's, Polaris, Kawasaki, Etc. No race ready ATV's.
